

## A Different Kind of Medicine

October 2016

### In case you missed us at the Houston Dog Show . . .

Long-time supporters and new volunteers turned out to show their support for PAWS Houston at the Houston World Services of Dog Shows on July 20-24th. This was a wonderful chance to tell the PAWS story to hundreds of attendees!

Many thanks to Mary Geehan for all her hard work in setting up the booth and for making the raffle quilt! Thanks also to all the volunteers who turned out to work the booth over the five days. Your passion and dedication to the mission of PAWS is shown every year. And, of course, we can't forget our PAWS spokesdog, Stormy, and his helpers Dante, Einstein, and Crockett for getting people to stop by the booth. All that attention grabbing is hard work! As you can see, they were "dogged" tired by the end of the day.
